THE \$7,000 CAMPAIGN

Is Just Starting: Less Than Nine Weeks
Time In Which To Win An Automobile

Two Separate List of Prizes, One for the City
and One for the Territory Outside of Edmonton

Enter Campaign Now and Get
An Early Start

Practical people of business judgment, optimism and healthy desire to have something in the world are entering in The Bulletin's \$7,000 circulation campaign.

Some weeks stand between sixteen persons and that many splendid prizes of substantial value.

Some weeks stand between some person and a \$7,000 Overland Touring Car.

Some weeks stand between ten persons and ten other valuable prizes.

THE CAMPAIGN IS JUST BEGINNING AND OPPORTUNITY ALWAYS A VERY ENTERPRISING

TO KNOWLEDGE THE VERY LATEST RIGHT NOW

The successful people of the Bulletin's campaign to circulate and alert-minded people, is that a few weeks more will give them a high-class automobile.

It is truly a great campaign as to the prizes offered.

The person who reads this today should ask himself or herself this question: "What chance have I to win a good prize—the list against this list?"

The person who really possesses judgment, the ability to initiate and to stay with it, will not be slow in answering that question as follows:

The reward is worth going after; it is worth putting nine weeks of the hardest kind of work into; battle and exhaustion always with it, and here, no chance.

The man or woman who has a few hours a day to spare, which might be devoted to social pleasures or idleness, should ask the question: "Can I have an opportunity for me to work and get more time during the next few weeks to my great profit in this campaign?"

If the man or woman has a circle of friends or acquaintances, the answer is the affirmative should be very enthusiastic.

Because, when you once get started in an enterprise of this kind, your campaign expands wonderfully. You are enthusiastic and induces your friends with the conviction that you are out to win, they will go along the line and will be sure to win.

THINK CAREFULLY. YOUR FUTURE POSITION.

Can I better my financial condition in the next nine weeks by entering this campaign?

Can I save money, as well as acquire capital, and time is money. Don't waste your time, therefore, to secure an automobile, visit one in nine weeks.

There are two separate lists of prizes. One for the City of Edmonton and one for the Territory Outside of Edmonton. The Capital Prize, the \$7,000 Overland Touring Car, is a free-for-all prize as all candidates have an equal opportunity of winning this award.

There will be no winners in this campaign, as all active candidates who do not win one of the listed prizes will be paid a compensation of ten per cent on the money they collect during the campaign.

The list of candidates as they appear today, only include those names that have been received up to 5 p.m. Monday.

There has been little or nothing done in the way of securing votes. If you are contemplating entering the campaign, we would advise you to get in early and an early start should mean a strong finish.
